

## **Module VIII – Laboratory Audits**

**Friday, February 26  
11:00 a.m. – 12:00 p.m. Room 123**

*Please note the time change.*

### **PRESENTER**

**Margaret DiNatale, MS, MT (ASCP)**

Quality Assurance Supervisor – Bureau of Laboratory Sciences  
William A. Hinton State Laboratory Institute  
Massachusetts Department of Public Health

### **DESCRIPTION**

This presentation will focus on laboratory audits as they pertain to regulations and good laboratory practice with emphasis on the public health laboratory.

**OBJECTIVES:** After completing this module, participants will be able to

- State and discuss the regulations with regard to laboratory audits
- State components for laboratory audits
- Understand the different types of information the auditor uses to make an assessment of compliance or non-compliance

### **TARGET AUDIENCE**

The series is designed for participation among all levels of BLS laboratory personnel. All are invited to attend.

### **CONTINUING EDUCATION**

The attendance list for each session will be recorded in the BLS training database.

### **INFORMATION AND SPECIAL NEEDS**

Contact the training office at 617-983-6283. For special needs please call in advance.
